SUBMISSION GUIDELINES

Papers shall be submitted in two stages: first as an abstract and then as a full paper after the abstract has been accepted. Papers submitted should be original and have not been published and or presented elsewhere. Abstracts and full papers must be written in English and submitted in Microsoft Word and PDF file format in accordance with the guidelines.

Abstracts should not exceed 300 words and must provide a clear overview of the objectives, methodologies, and key findings. The paragraph is to be formatted in Microsoft Word and PDF file with double spacing on A4 (210 x 297 mm) paper. Author / co-author(s) name(s), title(s), position(s), organisation(s) and contact address(es) (including email address(es)) should be provided in the abstract. The presenting author's name must be underlined, and at least three keywords should be provided.

Authors of accepted full papers need to prepare a camera-ready (final) version for inclusion in the Conference/Congress Proceedings. Camera-ready (final) version will be substantially the same as the full paper but amended for reviewers' comments.

SCOPUS Indexed Publications

Selected papers will be published under SCOPUS indexed publications or equivalent subject to approval by Technical Programme Committee

Awards for Outstanding Papers

Towards the objective of encouraging greater participation by Malaysians, cash awards and certificates will be awarded to the best three papers. All papers must be authored/co-authored and presented by Malaysians.
